# A BRIEF HISTORY OF OUR EVENT

This year marks our 13th anniversary of the Alex's Place Golf Scramble. Alex's Scramble serves as a dual benefit. The money raised is donated to Crossroads House of Genesee County and for a culinary scholarship created in memory of Chef Russell Bugbee who we tragically lost in October of 2010.

**Crossroads House** is a comfort care home that serves the residents of Genesee and Wyoming counties who have been medically determined to be in their last stages of life. It is an alternative to a hospital or nursing home when care can no longer be provided in the patient's own home. Crossroads is an incorporated not-for-profit organization that provides service free of charge.

**The Chef Russell Bugbee Scholarship** is awarded as a tribute to Chef Russell, who we tragically lost in Oct 2010. The scholarship will be awarded to an area high school graduate that is not only pursuing an education in the culinary field, but also has the drive and passion that Chef Russell had for the culinary arts.
